Short Answer Questions

Please answer each question in 3-7 lines of text.

What experiences have led you to choose nursing as a profession and the role of a family nurse practitioner as a specialty practice?

Our most successful team members are self-sufficient and self-motivated and can work both independently and a part of a team. Can you describe a specific experience where you displayed these skills?

Why are you interested in training at the Institute for Family Health? What is it about our mission statement that appeals to you?

Please describe your short and long term professional goals. How will completing this residency help you accomplish your goals?

Is there anything else you would like us to know about you?

Languages spoken (please indicate fluency)

Please submit your completed application and CV to fnpresidency@institute.org.

In your CV please include:

- 1) All educational information (dates, degrees, institutions, locations)
- 2) Work, volunteer, or community service experience
- 3) Extracurricular activities
- 4) Leadership experience
- 5) Research or publications
- 6) NP community involvement (professional organizations, conference attendance, etc.)
